

Dick's Original Red Sauce— MILD HOT SAUCE

LADLE IT ON

15 oz.

16 oz. jar

No preservatives added whatsoever.

Formerly Dick Naugle's 'ORIGINAL' mildly blended sauce, perfect for pouring onto Tacos, Burritos, Pizza, Chopped Beef and endless array of food items. Prepared and packaged fresh as specifically designed by the late great Dick Naugle founder of Del Taco and Naugles. The red sauce is meant to appeal to a wide variety of taste buds.

Also perfect for applying or marinating on a wide variety of meat and fish dishes, even salmon burgers—*IMAGINE THAT!* Save the salt and pepper—this sauce solves the need to add many other spices.

These closely held secret family recipes were passed directly to his grandson Bill Naugle at a very early age. Some ingredients used in this 'Mild Hot Sauce Recipe' are difficult to obtain today. The process for mixing the spices is very specific. It is imperative to follow the directions closely to obtain the best flavor possible.

No skimpy little bottle to shake — *Ladle it ON!*

Stay tuned as other family sauces and recipes soon to be released: such as meat sauce, green sauce, enchilada sauce and there are many others never previously released by my *Gramps*- Dick Naugle.

Shake well before use-- Refrigerate after opening—Enjoy!
